

## CITIZENS SUMMARY

## Findings in the audit of the Chesterfield Contract License Office

Background	The Department of Revenue has appointed 183 contract agents to operate contract license offices. These offices issue driver licenses; titles for motor vehicles, trailers, and marine craft; and license plates. Contract agents are compensated through transaction-based processing fees. Under a state law which became effective in 2009, the State Auditor may audit contract license offices.
Accounting Controls and Procedures	The Chesterfield contract license office did not always accurately record the method of payment (cash, check, or credit card) and did not reconcile the composition of monies received to deposits.
Contract Compliance	The Chesterfield contract license office does not always accurately update inventory on a daily basis, as required by its agent contract with the Department of Revenue, and, during a previous office semi-annual inventory, four items could not be located.
